

The Chinese University of Hong Kong (CUHK) is a bilingual (Chinese and English) and multicultural institution of higher learning founded in 1963. As a first-class comprehensive research university with both a local and an international outlook, we aim at cultivating quality higher degree graduates to serve the increasingly sophisticated needs of society and making contributions to the pool of human knowledge through research. The majority of our staff teaching on our 134-hectare scenic campus is bilingual and recruited from all over the world. We hold fast to our fundamental goal of aiming for excellence in our intellectual pursuits and strive to achieve high programme quality.
